ORDER

The University decided to permit students to change the centre of examination in the wake of Covid 19 pandemic. Accordingly, some of the students who had registered for the Fifth Semester B.Pharm Supplementary January 2021 Examinations (2017 Scheme) notified as per the references cited above, submitted their applications seeking exam centre change. After examining the facilities in various examination centres, and the consent of the Colleges to where the students requested to change their centre of examination, the exam centre change has been permitted to the students listed in the table annexed to this order.

The students who have requested for the centre change but not listed in the annexure have not been granted permission to change the examination centre. Hence, they should take the examination in the college itself where they have undergone the course. Orders are issued accordingly.
