Order

The confusion as to how the terms “ course duration” or “ double the duration” used in the gazetted academic regulations of KUHS are to be reckoned has been brought to the attention of the Academic Council meeting vide Agenda No.23.25. Generally the admission year is taken as calendar year (eg.2019 admission). If calendar year is taken for calculating course duration / double the duration, the students will not get the maximum chances of examinations which they actually deserve. Moreover the KUHS Act 2010 mentions about “*academic term*” in many contexts. The *academic term* is an academic year. Therefore instead of taking the calendar year, the academic year should be reckoned for duration of the course. .

The Academic council has considered the matter and resolved that , ***the academic year starting from 1st August and ending with 31st July of the succeeding year shall be considered for calculating the double-the duration of the course period. It was also decided to permit the students to write the last examination even if it was notified after the actual period of double the duration.,(Eg. Double the duration for 2019-20 batch of four year Nursing admission would be 2027-28 academic year)***, vide paper read as (1) above.

58th meeting of Governing Council held on 23.12.2019, has resolved to approve the decision of the Academic Council, vide paper read as (2) above.

Vide reference (3) cited above, the Honourable Vice Chancellor has accorded sanction to implement the decision of the Governing Council with respect to the decision of the Academic council.

Orders are issued accordingly.
