Sub : KUHS- Pharmacy- Decisions of the BoS PG and Faculty of Pharmaceutical Sciences- Intimated for compliance-

Ref : U.O.No.15324/2021/ACII/PHARM/A2/KUHS/2 dated 20.09.2021

As per the U.O referred to above, the decisions of the the Board of Studies for PG Pharmaceutical Sciences have been implemented.

Those related to the Academic Progression of the students of PharmD and PharmD PB classes and the date of starting PharmD and PharmD PB internship are hereby intimated as follows, for favour of information and compliance:

1. The internship for Pharm D and Pharm D PB students to start from 31/08/2021 onwards. The students who cleared papers up to 4th Pharm D and eligible to appear for 5th Pharm D regular examination/students who cleared papers of 1st Pharm D PB and eligible to appear for 2nd Pharm D PB, shall be allowed to start their internship. However, the students have to clear the 5th Pharm D papers / 2nd Pharm D PB papers before the completion of internship.
2. The third, fourth, fifth year Pharm D and second Pharm D PB classes is to be started from 06/09/2021 onwards to avoid the time lag of course in this pandemic situation according to the direction given by the PCI, wavering the existing promotion criteria. The students who have acquired 80% attendance in previous year may be permitted to progress to the next year. This is a one-time exception in this current pandemic situation.
3. The students who attended Pharm D classes from 01/06/2020 onwards in spite of their promotion status and have only two papers pending in the previous year, and cleared all papers of other previous years in supplementary examination held in July and August 2021, shall be allowed to register for the coming regular examinations to be held in 2021, since they have already acquired the attendance.
