

## KERALA UNIVERSITY OF HEALTH SCIENCES

KUHS- Academic- Clause 2(5)(v) of the Amendment of the 1st Statute on the matter of affiliation of colleges- Further modified- orders issued

### ACADEMIC SECTION

U.O.No : 69/2022/academic/KUHS

Date : 07-02-2022

Read :- 1. U.O No.444/2021/Academic/KUHS dtd. 26.03.2021  
2. Decision No.67.42 of the Governing Council Meeting Held on 30.12.2021

### ORDER

As per the U.O read (1) above clause 2(5)(v) of the Amendment of the 1st Statute on the matter of affiliation of colleges was modified in order to meet the intended objective of the clause.

However it is seen that the above clause requires further modification due to the following reasons :

1) As per the prevailing clause, the average of pass percentage of previous regular examinations of all existing batches has to be not below the minimum prescribed by the Governing Council in the Notification issued by the University for the purpose of the addition/enhancement concerned at the time of submitting the application.

Usually two months time period is given for submission of application. During that period University may publish fresh results also. Likewise, the validity of the application is usually for three years and hence, the pass percentage will have to be calculated afresh if the application is processed in subsequent years within the validity period.

2) The required average of pass percentage also needs to be prescribed by the Governing Council.

The Governing Council in its 67<sup>th</sup> meeting dated 30.12.2021, discussed the matter in detail and

decided vide paper read (2) above to add sub clauses “C” and “D” to clause 2(5)(v) of the Amendment of the 1st Statute on the matter of affiliation of colleges in order to have clarity in the matter. The sub clauses are as detailed below:

*C. For the purpose of considering applications for enhancement of seats/additional courses, the average of pass percentage as noted in Sub Clause “A” and “B” above shall be minimum 50% (Fifty Percentage). The relevant date for considering the pass percentage shall be the last date fixed for receipt of such applications as per notification issued by the University from time to time. In case of applications which have validity of three years, if the applications are to be considered in the subsequent years, the last date fixed for receipt of the applications as per notification issued by University in the current year shall be the relevant date for considering the pass percentage. If no notifications are invited by the University in a particular year, the date on which the date on which the institution concerned is to achieve the average pass percentage required shall be decided by the Governing Council.*

*D. If seat enhancement is already permitted in an existing course and the application is for further enhancement of seats, the batch in which enhancement was last sanctioned shall be treated as 1<sup>st</sup> batch for the purpose of considering further enhancement of seats.*

The above decision of the Governing Council is implemented forthwith

(By order of Vice Chancellor)
