The printout of online details, signed by all concerned, as per the Proforma should be submitted to the University. **The fee once paid will not be refunded or adjusted under any circumstances. Also, the thesis will not be accepted after the stipulated date on any grounds** and if received after the last date it will not be considered for evaluation.

Important points to be noted in online payment

1. Payment can be made using internet banking and credit card only.
2. Colleges should not wait for the last minute of the date/time fixed for remittance Because there may have problem of connectivity and consequent failure of online remittance and delay in making payments which may lead to imposition of fine, as the case may be, for which the remitter alone will be responsible
