(2012 Scheme)

Specialty - Repertory

Repertory - Paper I

Time: 3 Hours

Total Marks: 100

- Answer all Questions.

Essays:

(5x20=100)

1. Differentiate between Knerr's repertory and Gentry's repertory for their sources, construction, utility and limitations as puritan repertories.
2. Describe the structure, utility and limitations of final general repertory by Pierre Schmidt, in the background of its evolution from Kent's repertory.
3. Explain the utility of additions made by Boger to Kent's repertory with reference to the sources, clarity of rubrics and medicines and the advantage / limitations of these additions in present day clinical practice.
4. Illustrate the utility and limitations of Kent's comparative repertory by Dockx and Kokelenberg, in the backdrop of its philosophy and construction.
5. Outline the specific clinical application of Clarke's repertory with examples of rubrics relevant for homeopathic general practice.
