Reg. No.:.....

**PG Degree Regular/Supplementary Examinations in Forensic Medicine
(MD) May 2021**

Paper III - Forensic Toxicology and Medical Jurisprudence

Time: 3 hrs

Max marks:100

- *Answer all questions to the point neatly and legibly • Do not leave any blank pages between answers • Indicate the question number correctly for the answer in the margin space*
- *Answer all parts of a single question together • Leave sufficient space between answers*
- *Draw table/diagrams/flow charts wherever necessary*

Essay:

(20)

1. In a village, around 50 devotees consumed sacred prasadam of rice and jaggery offered in the temple mass feeding, following which they complained of abdominal discomfort, vomiting, loose stools and respiratory distress. On clinical examination at the emergency medicine department, it was found that they had pin point pupils, muscle weakness and respiratory distress. Mention the approach to the scenario providing differential diagnosis, management and forensic implications.
