

M08	Government Medical College, Medical College P. O., Thrissur – 680 596		
Sl No	Name of the Student with Reg. No	Title of the Synopsis (2011 Admission)	Remarks
M. D. Pathology			
1	Aswathy .R 111100022	Morphological patterns of ovarian serous tumours & associated fallopian fimbrial changes – Correlation with p53 expression	Approved
2	Abini K. E. 111100021	Correlation of mast cells and eosinophils in invasive ductal breast carcinoma with tumour grade and estrogen receptor and progesterone receptor expression	Approved
3	Divya S Deth 111100023	Study of Expression of Estrogen and Progesterone receptors status in breast carcinoma using ‘Quick score’- correlation with established clinic pathological parameters.	Approved
4	Feby T Francis 111100024	‘Melanocytic lesions’ – A hospital based descriptive study in Central Kerala	Approved
5	Reimol Jose 111100027	Gleason’s Grading of Carcinoma prostate with PSA correlation	Approved
6	Jumailath P. P. 111100025	Aberrant crypt foci in colonic mucosa:- A histomorphological study	Approved
7	Rashmi .R 111100026	Evaluation of platelet indices in the different diagnosis of Thrombocytosis	Approved
M. S. General Surgery			
1	Abid Iqbal V. T. 111520039	Incidence and risk factors of seroma formation in patients undergoing modified radical mastectomy for carcinoma breast	Approved
2	Rayeez Rasheed 111520042	A new scoring system for early diagnosis of A/c Appendicitis using physical signs, Ultra sonogram and leucocytosis	Approved
3	Lijo J Kollannur 111520040	A study to compare clinical diagnosis and autopsy findings in trauma fatalities	Approved
4	Shenol Sasankan 111520043	A study on pattern of axillary lymph node metastasis from carcinoma breast	Approved

5	Praveen Gopi 111520041	Comparative study of surface swab and tissue biopsy cultures in burn wound sepsis	Approved
M. D. Radio Diagnosis			
1	Mohammed Noufal M 111160006	Bronchiectasis: correlation of high resolution computed tomography with pulmonary function test and pulmonary artery pressure	Approved
2	Arjun .S 111160005	Comparative assessment of imaging modalities in obstructive jaundice	Approved
3	Sony K. M. 111160007	Role of multi detector computed tomography in characterization of renal masses	Approved
M. S. Obstetrics & Gynaecology			
1	Nishu Sugunan 111550020	A study on Hypothyroidism in pregnancy and its effect on maternal and perinatal outcome	Approved
2	Sreeja P. S. 111550022	Preoperative prediction of Malignant Ovarian tumours using risk of malignancy index	Approved
3	Remya .A 111550021	Study of Placenta in Idiopathic intrauterine growth restriction – A comparative study	Approved
M. D. Microbiology			
1	Subi Das 111090013	Factors associated with staphylococcus aureus and methicillin resistant staphylococcus aureus nasal colonisation among patients admitted to surgical wards in a tertiary care Hospital	Approved
2	Nubila 111090011	Group B streptococcal colonization of the genital tract in antenatal women in a tertiary care Hospital in Kerala	Approved
3	Liz Augustine 111090010	Baseline titers of Salmonella agglutinis in healthy individuals in Thrissur	Approved
4	Aiswarya Mukundan 111090008	Detection of pharyngeal carriage rate and antibiotic sensitivity pattern of streptococcus pyogenes among children in a rural and urban school at Thrissur, Kerala	Approved
5	Ardra M 111090009	Isolation and identification of Metallo Betalactamase producing multidrug resistance gram negative bacteria in a tertiary care centre	Approved

6	Rohitha S Chandra 111090012	Bacteriological profile of early neonatal infections at new medical college hospital, Thrissur	Approved
M. D. Anatomy			
1	Arun Kumar. K. G. 111020007	Age and sex related changes in pineal gland – A morphological histological study	Approved
2	Rosemol Xaviour 111020008	Anatomical variations and embryological basis of arch of aorta and aortic valve	Approved
M. D. Physiology			
1	Bishara P Pushkar 111140010	Study of pulmonary function tests in workers of rurally located flour mills	Approved
2	Lakshmi Priya M 111140012	Study of cardiovascular autonomic functions in relation to serum oestrogen and body composition in women of reproductive and postmenopausal age group	Approved
3	Divya Satheesh T 111140011	Cardiopulmonary and metabolic effects of yoga in healthy volunteers	Approved
M. D. Paediatrics			
1	Dr. Priya P. R. 111110042	Profile of adverse drug reactions of ART in children living with HIV/AIDS receiving first line ART	Approved
2	Dr. Anju A 111110020	Outcome of children with steroid sensitive nephritic syndrome treated with 4 weeks intensive phase versus 6 weeks intensive phase prednisolone	Approved
M. S. Ophthalmology			
1	Divya K 111530014	A study of central corneal thickness and its relationship to myopia	Approved
2	Ambili K. P. 111530013	External dacryocystorhinostomy with and without silicone tube intubation for the treatment of primary nasolacrimal duct obstruction – A comparative study	Approved
3	Hridya Mohan 111530015	Ascorbic acid concentration in aqueous humor of patients with pseudo exfoliation as compared to normal subjects	Approved

M. S. Orthopaedics			
1	Rajesh Dharmarajan 111540013	Evaluation of the clinical and radiological outcomes in diaphyseal osteopenic fractures of long bones treated with 5.0 locking compression plate	Approved
2	Prabhul G Das 111540012	Functional outcome of unstable thoraco lumbar spine fracture with neurological deficit treated by decompression and posterior moss – Miani pedicular screw fixation	Approved
3	M. S. Padmanaban 111540011	Clinical profile of patients with supracondylar fracture of femur treated with condylar buttress plate in a tertiary care centre of central Kerala – a descriptive study	Approved
M. D. Psychiatry			
1	Rajith E. R. 111150006	Psychiatric manifestation in Parkinson's disease	Approved
M. D. Pulmonary Medicine			
1	Muhammed Shafeek K. K. 111180007	The clinical profile of patients with haemoptysis attending a tertiary care centre in central Kerala – A cross sectional study	Approved
M. D. General Medicine			
1	Santhosh L. K. 111070045	Clinical profile and outcome of deliberate self poisoning cases in medical wards	Approved
2	Akhilesh R 111070039	A study on coagulation profile of patients thrombolysed with streptokinase in acute myocardial infarction	Approved
3	Dhanesh E. S. 111070042	Clinical profile of stroke and three month outcome in diabetics and non diabetics	Approved
4	Molcymole V Abraham 111070044	A study on reciprocal ST segment depression in acute myocardial infraction – Clinical profile and short term outcome	Approved
5	Keerthy C. N. 111070043	Clinical profile of cervical spondylosis	Approved
6	Anoop K. V. 111070040	Lipid profile in chronic disease : A comparison between diabetic nephropathy and other chronic kidney disease patients in non nephritic range proteinuria	Approved
7	Cyril Jacob Kurian 111070041	Clinical presentation and short term mortality in elderly diabetics and non- diabetics diagnosed with acute myocardial infraction at Government Medical College, Thrissur	Approved

M.S. Oto-Rhinolaryngology			
1	Divya Raj M. L. 111510012	A study on the effect of adeno tonsillectomy in secretory otitis media in children	Approved
2	Anoop Babu R 111510011	A comparative study between pre operative CT scan findings of temporal bone and preoperative findings in CSOM unsafe ear	Approved
M.D. Radiotherapy			
1	Anoja Saha .M 111170008	Effect of preoperative concurrent chemoradiotherapy in locally advanced carcinoma of rectum – A prospective observational study	Approved
2	Jiss Joy 111170009	A prospective study of Radical concurrent chemoradiotherapy with cisplatin as a standard of care in loco regionally advanced head & neck malignancies	Approved
M. D. Anaesthesiology			
1	Suhail Ummer 111010030	Effect of pre-treatment with thiopentone sodium vs lignocaine hydrochloride on pain due to injection of rocuronium bromide – A comparative study.	Approved
2	Lesna M. P. 111010029	Postoperative analgesic requirements in patients receiving intraoperative dexmedetomidine infusion	Approved
M.D. Dermatology Venerology and Leprosy			
1	Shamsiyya S 111050016	A clinical study of exfoliative dermatitis with special reference to quality of life	Approved
